Feed Back & Suggestion from Parents Representative

1) Parents appreciated the openness and transparency of school with parents.

2) When the school realised that a few students were reaching 1 hr beyond school hrs the proactive action was taken to reduce it to 20 min via new route. This action was appreciated by the parents.

3) Mrs. Nene shared that her child who is in UKG was not ready to go to school when they were in Indore has truly started liking the school as the teachers are approachable and free with all students. Another ward who joined in grade 3 was used to memorizing and giving exam but when she joined City Pride, it was altogether different scene. Here, kids get to go to science lab, ask any questions, be inquisitive and curious.

4) For grade 4 parent was happy to share students were taken to Shiv Srushti for field visit, there they got more information about the great Shivaji Maharaj. Many children make quiz at home for their parents and having conversations about the history.

5) Meditation done at school was appreciated as it has reached home grandparents love it. Many students are getting benefit of meditation.

6) LIM, implementation of LIM from grade 2 was appreciated by parents, being proactive is different for each age group, but now they know all 7 habits, and they can identify and label their actions accordingly.

7) Garbage segregation was appreciated by parents, as students are getting aware of the issue of garbage disposal and making an effort to inform others to implement the garbage segregation.

Vote of Thanks

The meeting concluded with a vote of thanks by the Principal, expressing gratitude to all EPTA members for their active participation and support towards strengthening the partnership between parents and the school.
